New Paris, Ohio is a small fun-filled all season destination amidst a number of larger metropolitan areas.

Visitors will discover why settlers admired this tract of land in the valley beside the East Fork of the Whitewater River.

The New Paris Area Chamber of Commerce, Convention & Visitors Bureau invites you to enjoy our eateries, experience our various activities, refresh your spirit and patronize our local businesses.

Our widely known AppleFest each 4th weekend in September draws folks from near and far. The classic car show during AppleFest is a "blast from the past" and brings vintage cars from all over Ohio, Indiana and Kentucky.

We are quickly becoming "THE" place for the casual and serious antique collector alike and our several antique venues are always adding more vintage collectables.

We have several great places to enjoy a meal, from fantastic BBQ & Southern style comfort food to casual family dining.

Swim, camp & go antique hunting in the summer and enjoy a family fun day of snow-tubing in the winter. We have it all!
